

The Danvers Historical Society is excited to share with you a sponsorship opportunity that is a great fit: our Summer Beer Garden Music Series at Glen Magna Farms in Danvers, MA. These well-attended events will be held this year on June 23, July 21 and August 25 from 5-8 pm with rain dates the following day.

In its sixth year, the series offers three large-scale public events featuring live music from local musicians in a gorgeous garden setting. Attendees can also enjoy food, local craft beverages and lawn games in a relaxed family atmosphere. While here, we invite you to take a stroll through our historic gardens and learn about the extensive grounds from our staff and QR code tour.

As you may know, the Danvers Historical Society's programming is grounded in its collections and portfolio of historic buildings, most notably the National Landmark Derby Summer House (1794) and the Peabody Endicott Mansion (c1790) at Glen Magna Farms. Educational and community-based offerings on-site include garden tours and our unique "Come Grow With Us" vocational program, a partnership with regional institutions to educate young adults with learning challenges.

Your sponsorship of the Summer Beer Garden Music Series will support our Glen Magna-based preservation efforts and educational programs, provide evenings of enjoyment for the community, and increase your visibility and reputation in the area as a good citizen.

Sponsorships are available for the three-event series, one night only, and supplying a raffle basket. Details on sponsorship levels and benefits are attached.

We are grateful for your friendship and thank you for considering this opportunity. We hope you will join us as a guest or sponsor this summer!

Kind regards,

Louis George
