Dear Mr. Page,

As voted on October 22, 2020, by the Danvers Preservation Commission (Commission), the Commission commits to granting your organization, Trustees of the Danvers Historical Society Glen Magna, the sum of sixty-three thousand dollars (\$63,000). These funds are to be used for structural repairs, installation of ADA compliant restrooms, and fire safety upgrades that will return this historic building to greater public use. This project is associated with other, future upgrades to the Glen Magna Mansion, located at 29 Ingersoll Street, Danvers, Massachusetts. These funds will be delivered via check from the Town of Danvers. It is the Commission's understanding that these funds are to be paired with your own funds to complete these repairs. We wish you good luck and success for your project.

Sincerely,

Andrew Barnum, Chair
