

Salem Village Witch-Hunt Tour

Salem is where people visit to learn about the 1692 witchcraft trials, but Danvers, formerly Salem Village, is where it first began. Visit several significant historical sites including the remains of the parsonage where Reverend Samuel Parris' 9-year-old daughter Betty and 11-year-old niece Abigail had their fits that began the hysteria.

Daniel A. Gagnon, a life-long Danvers resident and author of *A Salem Witch*, will lead the tour that will give you a greater understanding of one of the more compelling stories in our early history.
